All car riders should be dropped off and picked up at the back of the school. Please stay in the line to keep our students safe. If you need to come into the school in the morning, please park on the side and walk to the doors. The buses fill the circle drive, and it is a very hazardous place to drop off your children. Also, student should not be entering the building before **7:30** unless they are attending Y-CARE. There is no supervision before that time. Thank you for your cooperation!
