The background is white with several colorful geometric shapes and patterns. In the top left, there's a blue circle with concentric circles and a yellow zigzag shape. In the top right, there's a pink shape with a wavy pattern and a green shape with a leaf-like pattern. In the middle right, there's a yellow shape with a diamond pattern. In the bottom left, there's a yellow shape with a diamond pattern and a pink star shape. In the bottom right, there's a pink shape with a grid pattern and a blue shape with a grid pattern. A small pink heart is above the text, and a blue wavy line is below it.

Upper Elementary

Principal Letter

Hello SVUE Families,

The month of May contains 21 of our last 23 days of school for this year. Ms. McCool from North Ridge will be coming to talk to the 6th graders about AVID. The NRMS show choir will be visiting to perform and then holding auditions for next year.

We will be having our spring concert on Tuesday, May 13, 2025, at Danville High School. The music teachers will be sending home information with details soon.

We will be having the 4th graders from the elementary schools visit us to get a taste of South View. They will have the opportunity to meet the administration along with some other key staff. They will get to ask questions of some of the current 5th graders, then take a quick tour of the building.

Our end of the year Honors Assemblies will be on Monday, June 2, 2025.

We have some fun planned for the end of the year, but I do not want to spoil the surprise! Keep watching our Facebook page and website for announcements over the summer. Stay safe and enjoy your summer!

Mrs. Fluno

5th Grade

MATH - As we wrap up 5th grade students will learn all about coordinate planes. They will be constructing coordinate systems on lines and planes, naming points, and investigating patterns. Students will study parallel, perpendicular and intersecting lines, coordinates, points and angles.

Science - In the last unit of the year students will take on the role of ecologists to investigate how the ecosystem can be restored. They will learn about how living things grow and get the matter they need.

PBIS

Students are working towards
end of the year celebrations.

We are looking forward to
celebrating a year full of
students being Safe, Kind, and
Responsible.

5th Grade

ELA:

Summer is right around the corner, but we are still working on mastering skills. While reading about the Renaissance, students are practicing identifying key details, main ideas, and inferencing during reading. For writing, students are working on identifying the best examples to support their ideas and how to quote the author in writing.

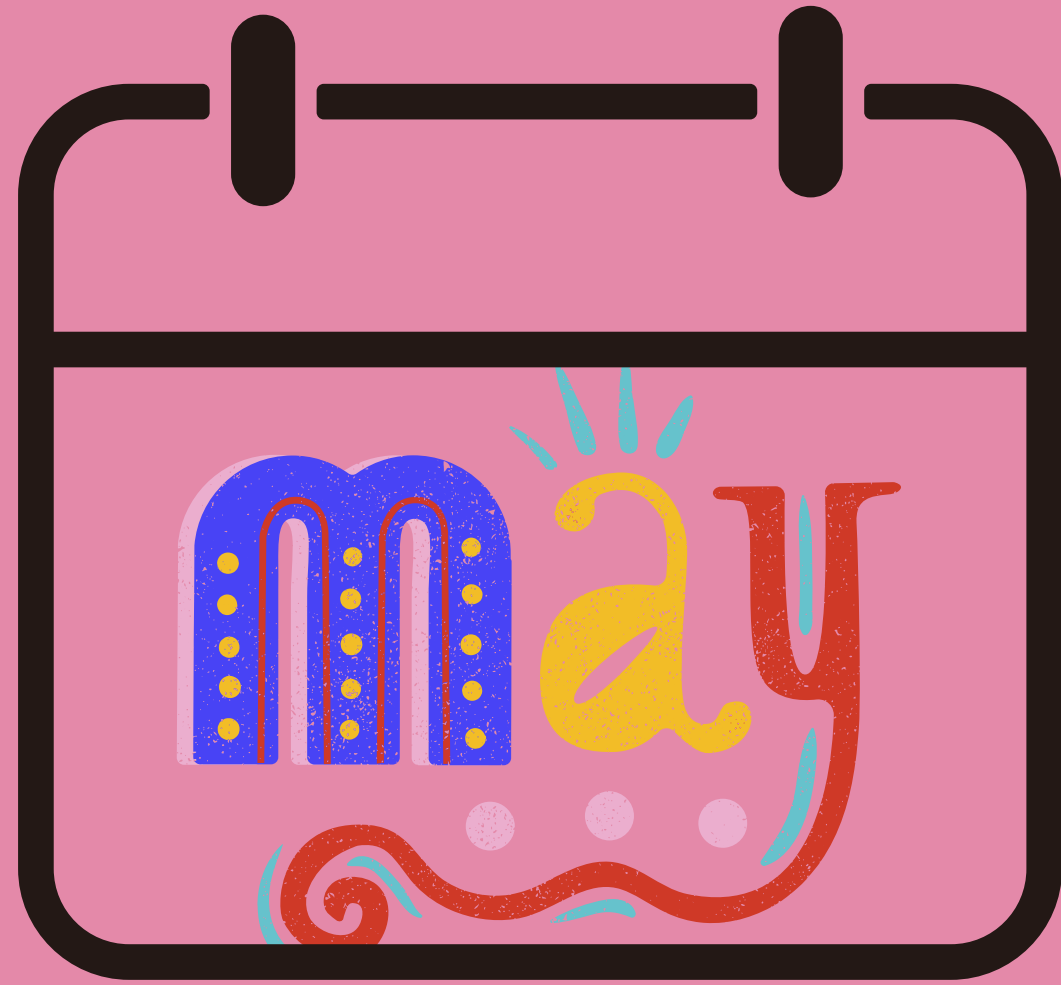

Social Studies:

Students are wrapping up the year with research projects and presentations on events throughout history. Students have learned a great deal over the course of the year about the development of North America and will get the chance to present their knowledge.

“Where
flowers bloom,
so does hope.”

Special Education

As we are nearing the end of the school year, it seems appropriate to acknowledge that the month of May is Mental Health Awareness month. The theme for Mental Health Awareness Month 2025 is "Turn Awareness into Action". Mental Health America (MHA) is promoting this theme, encouraging individuals to move beyond simply understanding mental health issues and take concrete steps toward positive change. Many of us have experienced or are experiencing some kind of trauma. The district has many supports in place for students, families, and staff alike. If you need assistance, you can call the school to speak with a social worker or hole interventionist (217) 444-1800. The district website has numerous links found under the "Students & Parents" tab and then "Family Resources." If you feel like you cannot carry on, please reach out to someone. National Suicide Prevention Phone: 1-800-273-TALK (8255) or Text: HELLO to 741741. There is also the CARES Line (SASS) - 24 Hour Emergency Mental Health Phone:1-800-345-9049

ATTENTION SOUTH VIEW UPPER ELEMENTARY 5TH GRADE GUARDIANS: ALL 5TH GRADE STUDENTS NEED TO BE MEDICALLY COMPLIANT TO ENTER THE 6TH GRADE. YOUR STUDENT WILL NOT BE ABLE TO BEGIN THEIR 6TH GRADE YEAR WITHOUT A CURRENT PHYSICAL AND UPDATED VACCINES ON FILE. TYPICAL COMPLIANT NEEDS ARE: NEW STATE OF ILLINOIS PHYSICAL, TDAP VACCINE, MENINGOCOCCAL VACCINE, AND HEPATITIS B VACCINE. TO ENSURE A SMOOTH START TO THE 2025-2026 SCHOOL YEAR, WE ENCOURAGE YOU NOT TO DELAY IN COMPLETING THIS REQUIREMENT. OUR SCHOOL HEALTH-BASED CLINIC, SOUTHERN ILLINOIS HEALTHCARE FOUNDATION (SIHF), WILL BE AT SOUTH VIEW OFFERING ONSITE PHYSICALS AND VACCINATIONS! SIHF WILL BE AT SOUTH VIEW THE WEEK OF MAY 12, 2025 PACKETS HAVE BEEN MAILED HOME TO ALL 5TH GRADE FAMILIES. COMPLETION AND RETURN OF THE PACKET IS MANDATORY FOR YOUR STUDENT TO BE SEEN BY SIHF. FOR ANY QUESTIONS OR CONCERNS PLEASE CONTACT THE LISTED NURSE BELOW.

CLAIRE PASCUAL, RN.

6th Grade

Math & Science

started working on Geometry and will finish up the year with Statistics. Some of the Science classes are learning about Life Science and how biologist use our environment to investigate and research problems to find solutions.
