**Welcome to the
2023-24 school year!**

I am Michael Gourley and I am proud to be the principal of North Ridge Middle School. I am excited to be here working with our highly dedicated staff to serve the students and families of District 118. This year marks my 29th year in public education. I began my career as a social studies teacher in Normal, and I have served as an assistant principal, associate principal, and principal in several different school districts throughout my career. Most recently I have been serving as the principal at Morris Community High School in Morris, Illinois. My wife and I are both natives of Danville and we still have family in the area. We have two adult children who live out of state, so we like to spend our free time visiting them. I also enjoy going fishing and cheering on the Cubs and the Fighting Illini. I hope every student has an outstanding school year, and I look forward to partnering with their families to support them throughout this year. Please feel free to reach out to me should you have any questions or concerns.

Sincerely,
Michael D. Gourley
Principal NRMS

School Counselor's Corner

The North Ridge Guidance Counselors are here for your students. Our primary goal is for all students to have a safe and prosperous school year. We help with academic support such as organization and grades, but we can also support your student with social/emotional needs and mental health such as anxiety, depression, bullying, communication, friendships, and problems at home. The beginning of the school year has been spent working out scheduling issues and checking in with as many students as possible to start making those connections. We also work with families and teachers to create or maintain a 504 plan when necessary. If you have any questions regarding your student's needs, please reach out to one of us.

Mr. Ferber is primarily 7th grade this year and can be reached at 217-444-3421 or ferbert@danville118.org and Ms. Helferich is primarily 8th grade and can be reached at 217-444-3418 or helferichc@danville118.org.

We look forward to connecting with the students and helping them to have a successful year at North Ridge. Let us know how we can make your student's time at North Ridge.

Attendance

Our mission in District 118 is to promote school success and nurture lifelong learners. We hope to see all our students attend daily. Please remember if a student is absent an adult needs to call 217-444-3404 with a reason within 48 hours to excuse student or it will be counted as an unexcused absence. When a student has accumulated six total absences (excused or unexcused,) a doctor's note will be required for every absence thereafter. By law, nine or more unexcused absences requires the school to refer this case to the truancy officer and to an appropriate child welfare agency in order to correct this situation.

Perfect Attendance Bulletin Board: Location wall by Attendance Office.

Each month the students' names with perfect attendance will be posted.

Initiatives: Students on truancy list monitoring attendance with zero unexcused absences each month will receive free gift for improving attendance.

Please make every effort to see that your child attends school regularly. School hours are 9:00 AM to 3:45 PM for our students. Your cooperation is appreciated.

If you need assistance, please call the school office at 217-444-3400.

Home Liaisons

Home Interventionists are liaisons to building administrators, teachers, and community service agencies. The Home Interventionists also conduct several activities such as behavioral interventions, small groups, mediations, monitoring attendance, student support, and connecting families to needed resources. Be sure to check out the Family Resource Center on District 118 website (www.danville118.org) under the Students & Parents tab.

Planning to attend a home sporting event?

Here is what you need to know!

Everyone attending a sporting event at North Ridge will enter by the gymnasium doors. There will be weapons detectors and a police officer present to keep everyone safe. During the games, it is expected that fans behave with good sportsmanship. We understand that close games can increase intensity in both athletes as well as fans, but fans are attending to CHEER on the players. Fans should refrain from coaching players and yelling at officials/coaches. Please be good examples for the student athletes and others in attendance.

All middle school students MUST have a parent/guardian in attendance with them in order to attend (unless with a staff sponsored group).
