something for everyone
COLLEGE FOR KIDS

**JUNE
JULY** | 2025

LEGO ROBOTICS

June 16-19 from 9:00-11:00

June 16-19 from 12:00-2:00

If you're a Lego Maniac this camp is made just for you! You will start by following detailed instructions on building a Lego robot which you will also program. Once you get an understanding of how it all works you will work on customizing your robot making it one-of-a-kind which you'll enter into the classes' robot wars. You will customize and program your robot and battle your way to classroom domination.

Held in Hegeler Hall Room 111.

Ages 10-14. Cost: \$100

SPORTS MEDIA

June 16-20 from 1:00-4:00

It all starts here, a career in the Sports Media Business. Be instructed by members of the Central Illinois Multi-media Group staff with special guests coming from the biggest jobs in broadcasting and digital sports media. Attend a Danville Dans baseball game where you will help announce the game. On Friday, the class will be held at WDAN/WDNL radio station.

Held in Mary Miller Room 300. Ages 10-17.

Cost: \$100

have fun

MUSIC MANIA

June 16-19 from 12:00-2:00

Learn the basics of blending songs and making beats while learning the business and technical side of what it takes to be a working DJ. Campers will each get hands-on experience working with DJ controllers and Serato Pro. We will be discussing all avenues of DJing from club work, public events, parties, radio and sporting events.

Each camper will get their own DJ rig to use for the week.

Held in Clock Tower Room 004.

Ages 10-17. Cost: \$100

WELDING

June 9-12 from 8:00-12:00

Get hands-on experience in this high-demand technology field. You'll experience first-hand what it's like to be a welder in the state-of-the-art welding lab at DACC. Learn how to join two pieces of metal with a 10,000°F arc! This camp is perfect for 4H students wanting to submit a welding project for the fair. All necessary criteria will be met. Take home all of your creations.

Held in Technology Center Room 139.

Ages 13-18. Cost: \$150

ART STUDIO 101

June 23-26 from 9:00-11:00

June 23-26 from 12:00-2:00

Have fun exploring a range of media and techniques. This week-long camp is designed for inspiring artists who want to explore different mediums. Bring your creative spirit and enjoy a week of creating fun and unique art projects.

Held in Hegeler Hall Room 110.

Ages 8-14. Cost: \$100

MINECRAFT

June 9-12 from 9:00-11:00

June 9-12 from 12:00-2:00

This camp challenges kids to imagine and create a cohesive world in Minecraft over the course of the week. Campers will plan and design a world around a theme, and brainstorm what it should contain, then design and build the structures and environments of that world. The level of this class is very flexible.

Held in Clock Tower Room 004

Ages 8-11. Cost: \$85

get creative

EXPLORING S.T.E.M.

June 23-26 from 9:00-11:00

June 23-26 from 12:00-2:00

If you enjoy science experiments, solving problems, finding out how things work and exploring the world of technology, then this is the camp for you. You'll become a junior scientist and the classroom will be your lab.

Held in the Hegeler Hall Room 111.

Ages 8-10 from 9:00-11:00

Ages 11-13 from 12:00-2:00

Cost: \$100

FIRST GIG ROCK CAMP

June 24-29 from 9:00-4:00

If you have a desire to play guitar, bass, drums, keyboards, horns, or be a lead vocalist then this camp is perfect for you. You don't have to be an expert or even have played before. You will be taught everything you need to know to perform live on stage. Your first gig will be held on the last day of camp. All participants will be working with professional musicians who have worked in their specific discipline for years.

Held in Bremer Conference Center on campus.

Ages 10-17. Cost: \$250
