News from the Nurse

Attention Parents! Now is the perfect time to get school physicals and immunizations done for the 2021-2022 school year.

ALL incoming 9th grade students must have a school physical completed within the past year, and ALL incoming 12th grade students are required to be up to date with the Meningococcal Vaccine.

Feel free to call (217)444-1603 if you have any questions or need help getting an appointment.

FROM THE PRINCIPAL...

Danville Viking Families:

I want to congratulate the Class of 2021 for the outstanding job they have done during a world crisis that altered their entire senior year.

Summer school will begin on June 21st and will be mandatory for any student who fails their core subject. A form can be completed through your counselor for summer school.

The question that is most asked today is, "What will school look like in the fall, what will be the new normal?" We are having these discussions and it is my hope that we recognize all the good we had accomplished prior to the pandemic.

I also want to ask for parents' continued support of staff and administration. If there is a problem that arises, please give us the opportunity to resolve it before you go on social media without all of the facts.

Lastly, I want to acknowledge the time and support teachers have given our students these past several months during the pandemic. We have experienced unprecedented times, but teachers have really stepped up.

DHS Students, "If no one has told you today that they love you, Ms. Cherry, loves you!"

Have a great summer! Tracy Cherry, Principal

Driver Ed: Behind the Wheel

Be prepared for your 2021-2022 MATH CLASS!!

All students are required to have a calculator for all math classes at DHS. Students taking Transitional Algebra, Algebra 1, Geometry, or Advanced Math Topics will need a TI-30XIIS.

Students taking Algebra 2, Algebra 2 Honors, Pre-Calculus, Pre-Calculus Honors, Statistics, or Calculus will need a TI-84.

These specific calculators are required and can be purchased at Walmart, Meijer, Target, Office Depot, Staples, or online.

Students may not use cell phones, laptops, etc. as calculators.

If you have any questions, please contact Rachel Seibert (217-444-1653) or Kelly Yohnka (217-444-1637) Math Department Chairs.
