

JUNE 2022

FROM THE PRINCIPAL

Danville Viking Families:
Congratulations to the Class of 2022! I am so proud of this class for demonstrating resilience, perseverance, and overcoming some of the most difficult times in school history to accomplish their goals and become graduates! Despite the many challenges you faced as a class, for example, being out of school, working remotely for two years, not having any physical contact with teachers or friends, but yet, you still managed to overcome these obstacles. You returned to full in-person learning this year and you were the best example to your peers. You demonstrated what a true "Viking" looks and acts like. This is something you all should be proud of. I am honored to have been your principal during this time, and I wish each of you the best in your future endeavors.

As we close out this school year and look forward to next year, I want to take a few minutes and thank my students, parents, teachers, and staff for all of your hard work and support this past year. We certainly were dealing with the unknown not having a clue what this year would look like. Even though there were many challenges, we made it through. It is now time to focus on your future and getting you across the finish line. We are ready to support you and challenge you to work hard this next year, and to do your very best. It is going to take a village, and we have to work together to ensure the success of our students.

Summer school will begin on June 21, 2022, and end on July 13, 2022 (no school on July 4th and 5th). Summer school will be Monday through Friday from 8:00a.m. – 12:00p.m. Summer school is available for all students who need to complete graduation requirements, catch up on credits, or get a head start on credits. All students must reach out to the school counselor and get their summer school form completed by their counselor. Parents must sign off on the form and it is to be returned to the school counselor. We have plenty of offerings for summer school and that information is included in this newsletter. It is strongly encouraged that you participate in the three week summer school program to help support your academic progress.

As I enter my final year, I am reminded of the reason I returned to Danville High School. I am committed to making DHS the best school that it can be. This change can only take place by holding students accountable and by parents supporting the school and administration. We will have many ways to support students academically, physically, socially, and emotionally. We know that it has been a lot the past few years, but I am determined to leave Danville High School better than I found it. This was my promise to all of you when I took this position, and I will do everything in my power to see this through. I am thanking you in advance for helping in this process and making Danville High School a school that we can all be proud of.

Lastly, enjoy your summer and stay safe! I am looking forward to a wonderful school year in the fall and providing many ways for students to be involved and successful. "We got this! We are Danville High School Proud!"

"If know one has told you today that they love you, Ms. Cherry, loves you!"
Have a great summer!
Tracy Cherry, Principal

DHS ANNOUNCEMENTS

Be prepared for your 2022-2023 MATH CLASS!!

All students are required to have a calculator for all math classes at DHS. Students taking Transitional Algebra, Algebra 1, Geometry, or Advanced Math Topics will need a TI-30XIIS.

Students taking Algebra 2, Algebra 2 Honors, Pre-Calculus, Pre-Calculus Honors, Statistics, or Calculus will need a TI-84.

These specific calculators are required and can be purchased at Walmart, Meijer, Target, Office Depot, Staples, or online.

Students may not use cell phones, laptops, etc. as calculators.

If you have any questions, please contact Rachel Seibert (217-444-1653) or Kelly Yohnka (217-444-1637) Math Department Chairs.

EUROPE TRIP

We are traveling to Europe from **June 15-28 of 2023**, and all are welcome to join the trip!

See Mrs. Jenny Long in room 337 or email her at longj2@danville118.org for more information. You can also visit the website www.explorica.com/Long-79.

Sign up now so you can participate in fundraising for this amazing opportunity!

NURSE'S NOTES:

Attention Parents!

Now is the perfect time to get your school physicals and immunizations done for the 2022-2023, school year. **ALL incoming 9th grade students** must have a school physical completed within the past year, and **ALL incoming 12th grade students** are required to be up to date with the Meningococcal Vaccine. Two doses are required unless the first dose was given after the age of 16. I would like for all 11th grade students to have their vaccines completed by May 1st so I can get them entered and ready for registration in June. 8th grade students can turn their completed physicals in to the nurse at North Ridge. So, get your appointments now and have your student turn their paperwork in to me ASAP!

COUNSELORS'

SUMMER SCHOOL:
Forms are available — contact your School Counselor for more information.

PRINCIPAL SCHOLARS PROGRAMMING:
Principal's Scholars will be hosting several Summer workshops for students in grades 6-12 through our Summer Enrichment Workshops 2022 Series. The workshops offered will be hands-on interactive and build student competencies in STEM education and college preparation. Workshops like: Math Talk! Pre-Algebra/Algebra Review, Film Making, College Essay Clinic, & SAT Test Prep could be a great way to spend some of your free time this summer. Find more information about Principal Scholars Programming in your School Counselors Google Classroom.

SCHOOL COUNSELOR SUMMER BREAK:
We will be out of the office for summer break from June 18 through July 28. We look forward to working with you and your student when we return to school for Fall 2022.

DHS SCHOOL COUNSELORS ARE ON SOCIAL:
Follow us for the most up-to-date information - ALWAYS!
