

March 24, 2025

Dear Parents/Guardians,

Beginning the week of March 31, 2025, your child will be taking the Illinois Assessment of Readiness (IAR) Test. This is a state requirement for 3-8th grade students. All students will be assessed in the areas of reading and mathematics. Each student will participate in at least two ELA assessments and three Math assessments. All 5th and 8th grade students will also be assessed in the content area of Science.

In order for your child to do his or her personal best please make sure he/she:

- Gets a good night's sleep
- Eats breakfast
- Arrives on time
- Brings laptop fully charged each day during the testing window.

Thank you for your support as we complete the testing process. Please contact your building principal if you have any questions.

Sincerely,

118 Admin Team

Danville Community Consolidated School District No. 118
