

“Good Afternoon! District 118 is excited to announce that we have entered into an intergovernmental agreement that would allow our students and staff, regardless of where they live, the opportunity to utilize the Danville Public Library resources and facilities all year long. Parents must fill out an agreement form for their child to participate. The link for the form is <https://forms.gle/5jsMrv2Dj4F4eo1S6>

Please consider this wonderful opportunity to support learning outside of the classroom! Thank you and have a wonderful week!”
