A note from the principal

Welcome back, KDBA Families!

I hope you've had a safe and enjoyable winter break. A new semester means new classes at KDBA! High School Prep students will transition into high school curriculum and high school students have new direct instruction course offerings to look forward to. We are also excited to introduce engaging direct instruction to our youngest group of students—7th grade!

Looking forward to a great semester!

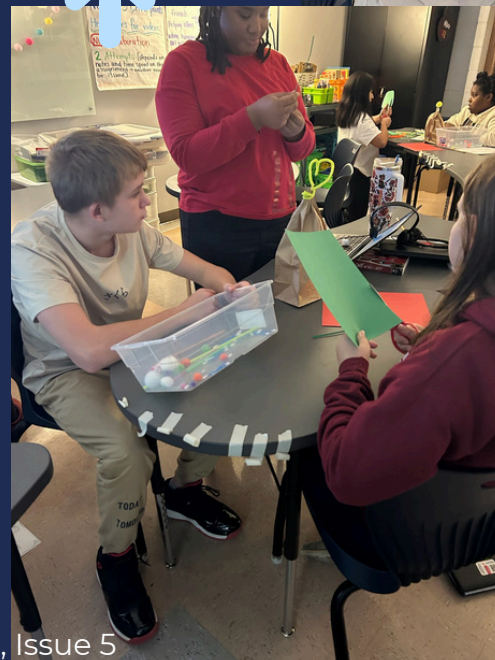

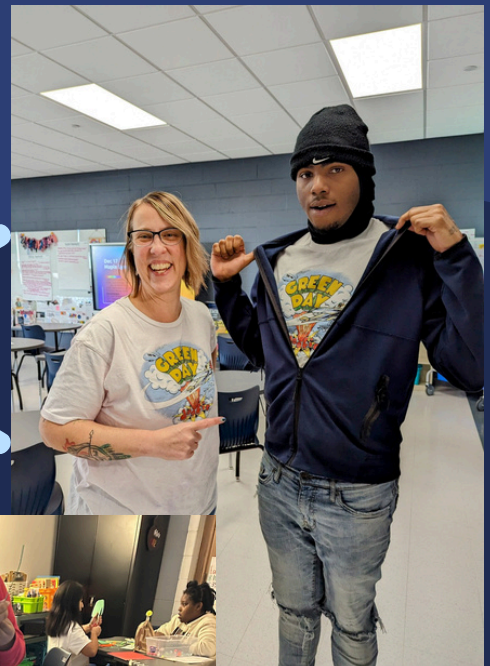

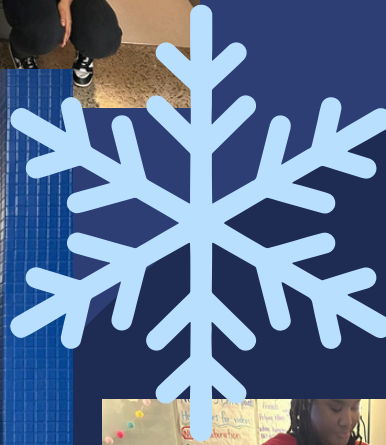

Mrs. Campbell, Principal

AVID CORNER

Writing!

Students in Mrs. Frazier's middle school ELA class created one pagers. They had to research, create, and present their work to the class.
