District Provided Statement

Not available.

About the Report Card

State and federal laws require public school districts to release report cards to the public each year.

The federal Every Student Succeeds Act requires that states annually assign schools a summative designation that meaningfully differentiates school performance based on multiple performance measures. All states were offered a waiver of this requirement for school year 2020-2021 due to the impact of COVID-19. For more information about Illinois' accountability system please visit www.isbe.net/summative.

For additional information, refer to the Public Business Rules for 2024 Report Card Metrics and the 2024 Glossary of Terms.

School Snapshot

Site-Based Expenditure Per Student Spending : \$7,677

Average Class Size : *

8th Graders Passing Algebra I : *

Chronic Absenteeism : 31.3%

Teacher Retention : 82.0%

Senate District : 52 House District : 104 VISIT ILLINOISREPORTCARD.COM FOR MORE INFORMATION.

Academic Progress

About the data

Academic progress data includes information regarding assessments, such as student participation rates, proficiency rates, and mean student growth percentile. Other information regarding academics may include certain touchstones, such as eighth-graders passing Algebra 1, graduation rate, and various advanced coursework information. Academic progress often is disaggregated further into demographic student groups.

IAR

What is it?

This shows the percentage of students scoring at each of the Performance Levels for the Illinois Assessment of Readiness (IAR). Each Performance Level is a broad, categorical level defined by a student's overall scale score and used to report overall student performance by describing how well students met the expectations for their grade level/course. Each Performance Level is defined by a range of overall scale scores for the assessment. There are five Performance Levels for IAR assessments:

- Level 1: Did not yet meet expectations
- Level 2: Partially met expectations
- Level 3: Approached expectations
- Level 4: Met expectations
- Level 5: Exceeded expectations

Students performing at levels 4 and 5 met or exceeded expectations, have demonstrated readiness for the next grade level/course and, ultimately, are on track for college and careers. Performance Level Descriptors describe the knowledge, skills, and practices that students should know and be able to demonstrate at each Performance Level in each content area (English language arts [ELA] and mathematics) and at each grade level/course.

DLM

What is it?

This shows the percentage and number of students scoring at each of the performance levels for the Dynamic Learning Maps Alternative Assessment (DLM-AA) for students with cognitive disabilities. DLM-AA results are not based on raw or scale scores; all data is based on diagnostic classification modeling. Standard setting allows us to look at patterns of number of linkage levels mastered across the tested Essential Elements, to which we can apply cut points to define categories of student performance. This performance are reported using the four Performance Levels approved by the consortium:

- Level 1 Entry: The student demonstrates emerging understanding of and ability to apply content knowledge and skills represented by the Essential Elements.
- Level 2 Foundational: The student's understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements is approaching the target.
- Level 3 Satisfactory: The student's understanding of and ability to apply content knowledge and skills represented by the Essential Elements is at target.
- Level 4 Mastery: The student demonstrates advanced understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements.

ISA

What is it?

This shows the percentage and number of students scoring at each of the Performance Levels for the Illinois Science Assessment (ISA). The ISA performance levels indicate students' understanding of the Illinois Learning Standards in science for their grade level. There are four Performance Levels for the ISA:

- Level 1 Emerging: Work at this level shows a partial application of knowledge and skills. It is superficial (lacks depth), fragmented, or incomplete and needs considerable development. Work contains errors or omissions.
- Level 2 Developing: Work at this level does not meet the standard. It shows basic, but inconsistent, application of knowledge and skills. Minor errors or omissions detract from the overall quality. Work needs further development.
- Level 3 Proficient: Work at this level meets the standard. It is acceptable work that demonstrates application of essential knowledge and skills. Minor errors or omissions do not detract from the overall quality.
- Level 4 Exemplary: Work at this level is of exceptional quality. It is both thorough and accurate. It exceeds the standard. It shows a sophisticated application of knowledge and skills.

Proficiency

What is it?

The federal Every Student Succeeds Act (ESSA) requires states to assess their learning standards for ELA, math, and science. Each state may also have a general assessment for the majority of its students and an alternate assessment for the 1 percent of students with the most significant cognitive disabilities. The All Test Proficiency measure is the proficiency rate for students combining all tests. A rate is calculated for ELA, math, and science.

Growth Percentile – IAR

What is it?

This shows the growth of students relative to other students in the state with a similar scale score in the preceding school year(s). If the data is available, the Student Growth Percentile (SGP) takes up to two prior scores. The school, district, and state measure is the sum of the students' SGP divided by the number of students with an SGP. Illinois uses SGPs to calculate growth. Proficiency shows whether or not students have mastered a common, high standard; whereas, growth recognizes progress toward and beyond the standard, no matter where each student started. Data show that students of all races, income levels, languages, and disability statutes demonstrate growth across the full range. Our rigorous assessments ensure there is more than enough room to measure the growth of even Illinois' highest achievers.

Participation Rate

What is it?

This shows the percentage and number of students participating in standardized testing, by subject and applicable test. Some students may take the test for one subject but not another. According to Illinois School Code, all students enrolled in public schools are required to participate in the state assessment or an alternate form of the assessment. Students who participate but for various reasons do not complete the testing process (e.g., illness) are still counted as having participated.

Eighth Graders Passing Algebra I

What is it?

This shows the percentage of eighth-graders passing Algebra I. They are defined as eighth-grade students who have successfully completed Algebra I (or its equivalent) by the end of Grade 8. Successful completion is measured by earning a D or above and receiving at least 1.0 credit hour.

School Environment

About the data

School environment data includes information regarding finances as well as information regarding conditions in the classroom, such as average class size and total school days.

Illinois Youth Survey

What is it?

This confirms whether or not this school participated in the Illinois Youth Survey (IYS) for the school year. The Illinois Youth Survey is a self-report survey of eighth-, 10th-, and 12th-grade students conducted during the spring of even-numbered years. It is administered in school settings and designed to gather information about a variety of health and social indicators, including substance use patterns and attitudes of Illinois youth. IYS is supported by the Center for Prevention Research and Development (CPRD) at the University of Illinois at Urbana-Champaign. For more information, visit iys.cprd.illinois.edu. This indicator shows whether your school participated during the most recent administration year. CPRD provides all schools that participate in the Illinois Youth Survey a summary report of their results.

| | School did participate in Illinois Youth Survey |

| School | Νο |

School Level Finances

What is it?

Average spending per student at this school, as collected through the unaudited ESSA Site-Based Expenditure Report. Districts report the actual dollars spent in the previous school year, including site-level costs (like school staff) and districtwide centralized costs allocated to each individual school (like transportation and central office staff), divided by the school's enrollment. Districts also report whether federal or state/local sources funded the spending.

| | | Site level | Per Pupil Expe | nditures | District C Expendit | entralized Per F ures | Pupil | Total Per | Total Per Pupil Expenditures | | | |
|----------|------------|------------|----------------|----------|------------------------|--------------------------|----------|-----------|------------------------------|----------|--------------|-----------------------|
| | Enrollment | Federal | State/Local | Subtotal | Federal | State/Local | Subtotal | Federal | State/Local | Total | Exclusions | Total Expenditures |
| School | 643 | \$345 | \$7,332 | \$7,677 | \$5,518 | \$6,983 | \$12,502 | \$5,863 | \$14,315 | \$20,178 | * | * |
| District | 4,735 | \$350 | \$8,530 | \$8,881 | \$5,514 | \$7,565 | \$13,078 | \$5,864 | \$16,095 | \$21,959 | \$13,696,882 | \$117,668,131 |

Average Class Size

What is it?

This shows the average number of students in each class at this school. Class size refers to the number of students in a classroom, specifically either the number of students being taught by individual teachers in a classroom or the average number of students being taught by teachers in a school, district, or education system

| | Grade 5 | Grade 6 | Grade 7 | Overall |
|----------|---------|---------|---------|---------|
| School | 20 | 28 | * | 23 |
| District | 21 | 27 | 20 | 19 |
| State | 21 | 21 | 21 | 21 |

Total School Days

What is it?

This shows the total number of days in which the school provided at least five hours of instruction during the school year. The minimum length for an Illinois public school's year is 176 days. The number of actual calendar days varies from district to district.

| | Total School Days |
|----------|-------------------|
| School | 176 |
| District | 176 |
| State | 176 |

Health and Wellness

What is it?

Days PE per week: This shows the average number of days of physical education per week per student.

Truant Minor Count: The table below reports the count of the number of truant minors in the district in the previous school year.

Truant Minors are defined as chronic truants to whom supportive services, including prevention, diagnostic, intervention and remedial services, alternative programs and other school and community.

Days PE per week

About the data

Student data includes information regarding the student population, including enrollment and attendance data, as well as information regarding specific student groups, such as gifted students and English Learner students. Student data often is disaggregated further into demographic student groups.

Student Enrollment

What is it?

This shows the total percentage and number of students enrolled in this school as of October 1 of the current school year. District-level enrollment includes students attending a school in the district and students placed in private schools by the district and funded by the district. The student enrollment excludes the following:

- Students given vouchers to attend private schools
- Students placed by their parents in private schools whose tuition is paid for by their parents, but who receive special education services from their home district

Advanced Academic Programs

What is it?

Advanced Academic Programs are courses of study to which students are assigned based on advanced cognitive ability or advanced academic achievement compared to local age peers and in which the curriculum is substantially differentiated from the general curriculum to provide appropriate challenge and pace.

English Learners

What is it?

This shows students whose primary language is not English. These students have been identified through a screening process as eligible for bilingual education and/or English as a second language services, and who have not yet reached English language proficiency as measured by ACCESS for ELLs 2.0.

Student Attendance

What is it?

This shows the average daily attendance at this school. This is a weighted measure of the number of days present relative to the total number of potential attendance days.

Student Mobility Rate

What is it?

A school's student mobility rate is the percentage of students who experienced at least one transfer in or out of the school between the first school day of October and the last school day of the year. Graduates are not included.

Chronic Absenteeism Rate

What is it?

This shows the percentage of students who miss 10 percent or more of school days per year either with or without a valid excuse. Illinois law defines "chronic absentee" as a student who misses 10 percent of school days within an academic year with or without a valid excuse. That's 18 days of an average 180-day school year. Excused absences include illness, suspension, need to care for a family member, etc. Students need daily instruction in order to succeed. Chronic absentees are at risk of academic and social problems.

Chronic Truancy Rate

What is it?

This shows the percentage of students who are considered chronic truants as defined in Section 26-2a of the School Code. Chronic truants include students subject to compulsory attendance who have been absent without valid cause from such attendance for 5 percent or more of the previous 180 regular attendance days.

Truancy Rate

What is it?

This shows the percentage of students who miss more than 1 percent but less than 5 percent school days per year without a valid excuse. Illinois law defines "truant" as a student who is subject to compulsory school attendance and is absent without a valid excuse for more than 1 percent but less than 5 percent of the past 180 school days.

Student Discipline

What is it?

The tables below provide a summary of discipline incidents occurring over the previous school year. In the following tables incidents are broken down by column (actions taken). The tables represent breakdowns by race, gender, grade level, whether a student is an English learner, incident type, and duration of the action taken.

| Total Student Count | | | | | | | | |
|---------------------|---------------------------|--|--|-------------------------|-----------------------------|-------------------------------------|--|--|

Accountability

About the data

Summative designations are ratings that help families and communities understand how well schools are serving all students. Illinois has five summative designations: Exemplary School, Commendable School, Targeted School, Comprehensive School, and Intensive School. Targeted Schools and Comprehensive Schools receive additional funding and supports to build local capacity and improve student outcomes. Multiple measures of school performance and growth determine a school's annual* summative designation.

* Federal waivers issued in 2020 and 2021 impacted accountability. For more information, see www.isbe.net/summative.

Annual Summative

A school that is in the **lowestperforming 5%** of schools in IL, any **high school with a graduation rate of 67% or less**, and schools with groups that remain Targeted at the end of a full school improvement cycle. \$10,000 received to support the achievement of sd.reason.Black : School Improvement Funds Title 1 Schoolwide

Title | Status

Title | Status

What is it?

Title I Status indicates if an entity receives funds from the Title I grant. If an entity receives Title I funds, their status can be "Title I Targeted" or "Title I Schoolwide." Title I Targeted assistance programs must focus services to identify students most at risk of failing through multiple objective criteria. Services, including supplies, must ONLY focus on those students identified. Title I Schoolwide programs may focus services to the entire school. Schoolwide Title I Status is defined as a school with 40 percent or greater of the students enrolled classified as low income. Schoolwide programs are not required to identify students at risk and thus may focus their funding and efforts on raising achievement of the whole school.

| | Title Status |
|--------|-------------------|
| School | Title 1Schoolwide |

School Improvement Funds

What is it?

Funds authorized under Title I, Part A, Section 1003 School Improvement of ESSA are allocated on a formula basis to LEAs serving the state's lowest-performing schools that are implementing comprehensive support and improvement activities or the state's underperforming schools that are implementing targeted support and improvement activities. School Improvement funds are disbursed by the Illinois State Board of Education to eligible LEAs via the IL-EMPOWER Grant to assist schools in improvement status develop, implement, and monitor effective School Improvement Plans. The purpose of the funding is to build the capacity of school leaders to implement effective school improvement practices, and the goal is to enable schools in improvement status to improve student achievement and performance outcomes and to exit status. LEAs use school improvement funding for the following types of planning and implementation activities:

- Contracting for professional services from state-approved learning partners.
- Conducting school-level needs assessments.
- Analyzing data.
- Identifying resource inequities.
- Researching and implementing evidence-based interventions.
- Purchasing standards-aligned curriculum and materials.
- Purchasing and administering local assessments for progress monitoring.
- Paying school personnel to collaborate and to develop, implement, and monitor School Improvement Plans.

Schools Who Receive Title I School Improvement - 1003(a) Funds

| | Cohort Year | School Improvement Status | Term within School Improvement Status Cycle | Current School Improvement Grant Term Allocation | Reason for Improvement Status & Grant Allocation |
|--------|-------------|------------------------------|---|--|--|
| School | 2023 | Targeted | Planning Year | \$10,000 | Black : CWD |

Accountability

Summative Designation Meta Indicator Components

What is it?

Percentage of Students with 95% Attendance in Junior/Senior year: The tables indicate the percentage of students in this district and the state who graduated with an average attendance rate of 95% or better over their junior and senior years.

Percentage of students who fall into each GPA category: The tables indicate the percentage of students in this district and the state whose GPA fell into one of four categorical ranges (as noted in the table).

Percentage of students who meet the IL SAT/ ACT Composite Minimum requirement: The tables below indicate the percentage of students in this district and the state who met the minimum composite score requirements on the SAT or ACT.

Percentage of students who have at least 1 Academic ELA Indicator: The tables below indicate the percentage of students in this district and the state who have currently met the requirements for at least 1 academic ELA indicator.

Percentage of students who have at least 1 Academic Math Indicator: The tables below indicate the percentage of students in this district and the state who have currently met the requirements for at least 1 academic MATH indicator.

Percentage of students who have identified a Career Area of Interest by Sophomore Year: The tables below indicate the percentage of students in this district and the state who have identified a career area of interest by their sophomore year.

Percentage of students who have earned 1, 2, or 3+ career ready indicators: The tables below indicate the percentage of students in this district and the state who have earned 1, 2, or 3+ career-ready indicators.

Percentage of students who have earned a College and Career Pathway Endorsement: The tables below indicate the percentage of students in this district and the state who have earned a college and career pathway endorsement.

Student Participation in Fine Arts: The tables below indicate the percentage of students in this district and the state who were enrolled in one or more fine arts courses in the previous year.

Fine Arts: Teacher Qualifications: The tables below indicate the percentage of students in the district and the state enrolled in fine arts courses taught by teachers licensed to teach fine arts courses.

About the data

Teacher data includes information regarding teachers, including salary, retention, and education, as well as information comparing the ratio of teachers to students.

Teacher Information

What is it?

This shows information pertaining to teachers, including experience, education, attendance, and evaluation.

| | All Schools | Attendance Rate | EvaluationRate |
|----------|-------------|-----------------|----------------|
| School | 14 | 62.1% | * |
| District | 14 | 61.7% | 98.3% |
| State | 14 | 66.0% | 97.2% |

Full-Time Equivalents

What is it?

This shows the total percentage and number of teacher Full-Time Equivalents. The number of teachers at each school varies greatly depending on the student population, schools' grade configuration, programs offered, and the financial resources of the district.

Teachers Education

What is it?

The tables below represent the percentage of teachers with bachelor's and master's degrees across the state and highlight the rates across all high-poverty and low-poverty schools in the district (as applicable).

Teachers Education - Bachelor's

| | AllSchools | High Poverty Schools | Low Poverty Schools |
|----------|------------|----------------------|---------------------|
| School | 65.1% | * | * |
| District | 53.7% | 55.1% | * |
| State | 42.0% | 42.2% | 36.2% |

Teachers Education - Master's

| | AllSchools | High Poverty Schools | Low Poverty Schools |
|----------|------------|----------------------|---------------------|
| School | 34.9% | * | * |
| District | 45.6% | 44.2% | * |
| State | 57.0% | 55.8% | 63.4% |

Student-To-Teacher Ratios

What is it?

This shows the average number of students per teacher. Teachers classified as special education teachers are not included. Research indicates that children in lower grades show the potential for higher achievement scores when they are in smaller classes. Many factors contribute to student achievement, and class size is only one part of this bigger picture. Special education classes are not included in this calculation.

| | Student-Teacher Ratio |
|----------|-----------------------|
| School | 24 |
| District | * |
| State | * |

Novice Teachers

What is it?

The table below represents the percentage of teachers defined as "novice" - having less than 2 full-time equivalent years of combined public school teaching experience. The display summarizes the rate within this district and across the state and highlights the rates across all high-poverty and low-poverty schools in the district (as applicable).

| | All Schools | High Poverty Schools | Low Poverty Schools |
|----------|----------------------|----------------------|----------------------|
| School | 2 6.9% | • | : |

Civil Rights Data Collection (2017-18)

About the data

The Civil Rights Data Collection (CRDC) is a biennial (i.e., every other school year) survey of public schools that has been required by the U.S. Department of Education Office for Civil Rights since 1968. The CRDC collects data on leading civil rights indicators related to access and barriers to educational opportunity from early childhood through Grade 12. The CRDC collects data from public Local Educational Agencies and schools, including juvenile facilities, charter schools, alternative schools, and schools serving only students with disabilities.

Student Environment

What is it?

Data from the Civil Rights Data Collection (CRDC) comes directly from the U.S. Department of Education (ED). ED collects the data directly from ISBE and school districts and releases the information on a two- to three-year delay. ISBE also collects some of these data elements from districts and reports the results in the year it was collected. Current year data for in-school suspensions, out-of-school suspensions, and expulsions is reported by ISBE in a separate report on www.isbe.net. Current year data for chronic absenteeism can be found in the Students section of the Report Card. Please note data may not match due to differences in data collection methods.

| | In School Suspensions | Out Of School Suspensions | Expulsions | School Related Arrests | Referral to Law Enforcement | Chronic Absenteeism |
|----------|--------------------------|------------------------------|------------|---------------------------|--------------------------------|---------------------|
| School | 16.7% | 15.0% | 0.1% | 0.0% | 0.0% | 30.3% |
| District | 11.6% | 15.7% | 0.9% | 0.0% | 0.0% | 31.4% |
| State | 5.1% | 3.5% | 0.1% | 0.1% | 0.7% | 16.3% |

Student Environment (cont)

| | Incidents of Harassment or | Number of Schools with Incidents of Violence | | |

| | Bullying | Incidents of Violence | Firearm | Homicide |
| School | * | 17.8% | 0 | 0 |
| District | * | 8.4% | 0 | 0 |
| State | * | 2.2% | 153 | 5 |

Academic Environment

What is it?

Data from the Civil Rights Data Collection comes directly from ED, which collects the data directly from ISBE and school districts and releases the information on a two- to three-year delay. ISBE also collects some of these data elements from districts and reports the results in the year it was collected. Current year data for accelerated coursework can be found in the Academic Performance section of the Report Card. Please note data may not match due to differences in data collection methods.
